WE BELIEVE IN ARTS EDUCATION.

CIVIC

Greetings Earthling's Ambassadors of Knowledge!

South Bend Civic Theatre invites you and your students to join us for our Spring - 2018 Theatre for Young Audience production of *Return to Forbidden Planet*

Blast off! on a routine flight as part of Captain Tempest's intergalactic crew, but beware of the mad scientist Dr. Prospero and his uncontrollable space monsters. *Return to the Forbidden Planet* is an award winning "Best Musical" sci-fi spoof that rockets Shakespeare's beloved characters from page to space as they crash into the planet D'Ilyria. Prepare to dance in the aisles as you jump on board and boldly go where no Shakespearian character has gone before....

South Bend Civic Theatre is once again proud to present productions that will encourage curiosity in every member of our community. Our Theatre for Young Audience (TYA) productions allow us to produce DYNAMIC theatre at a fraction of the cost for our area schools. **Jump in!** and see what all the excitement is about and allow your students to absorb the powerful messages that each of these productions convey. *Return to the Forbidden Planet* is a no-fear Shakespeare production for all ages that infuses the witty-puns of the Bard's *Tempest*, all wrapped up in a zany-sci fi spoof that will have your students reciting Shakespeare's words *trippingly off the tongue*.

As an added bonus, your students can learn the dos and don'ts of proper theatre etiquette with a hilarious one-act written by the members of the Civic Company. Follow and learn from Ed as he "steals the show" and causes the performance to come crashing down in the laugh out loud production of *Bad Etiquette Ed*. **Join us!** as we train your students to be engaged in the production without being a "bad etiquette Ed..."

Sincerely,

Joshua Napierkowski
Director of Education
